Mickey Harp, CRL - LUDECA, Inc.

Why Vibration Analysis? - 10 AM & 2:30 PM daily

Keith Macaluso, CRL - SDT Ultrasound Solutions

Ultrasound 101 - 11 AM & 3:30 PM daily

### **Weekly Highlight on LUBExpert**

Our LUBExpert Acoustic Lubrication Solution makes sure you grease bearings right! It indicates the RIGHT LUBRICANT, RIGHT LOCATION and RIGHT INTERVAL. Prevents over and under lubrication with the RIGHT QUANTITY. Gives the RIGHT INDICATORS for lubrication and bearing condition.
